Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0966

On 09/10/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please send me details of all compensation payments to staff for personal injuries incurred in the course of their duties, paid from 1 January 2024 to date.

For each case, please provide:

1. The date paid (e.g. 09/10/25)

2. The amount paid (e.g. £100,000)

3. Confirmation of which of these payments relates to an injury arising from an assault by a member of the public (e.g. Yes, injury arising from an assault made by a member of the public)

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following receipt of your request, a Constabulary subject matter expert (SME) conducted a search for the relevant and recorded data held to answer your questions. To share individual dates and claim payments would identify individuals; to avoid exemption of a response under section 40 of the Freedom of Information Act 2000, I have shared the aggregated totals for the information held below:

From 01/04/2024 to date, 10 claims were located by the SME. A total amount of £36,000 (thirty-six thousand pounds) was paid out in relation to these claims. None of the claims were as a result of an injury by a member of the public.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the

response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
