Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_1027

On 27/10/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please treat this as a request for recorded aggregate information held by your force under the Freedom of Information Act 2000.

For each financial year from 1 April 2020 to the latest available, please provide counts for murder and rape separately and, if readily available, other serious violence and sexual offence categories.

Provide arrests, people charged and people convicted as separate measures where held. State the geography, offence definitions, relevant dates, and whether counts are of people, offences or proceedings.

For each offence and measure, provide breakdowns by recorded nationality and recorded immigration/asylum status at the relevant event, insofar as held:

(1) people recorded as without lawful immigration status,

(2) people granted asylum or refugee status, and

(3) people whose asylum claim was refused and who remained in the UK.

Explain the categories used, any overlap, when status was recorded and counts with nationality or status unknown or unrecorded. Do not infer citizenship or status from ethnicity, birthplace or route of arrival.

Provide all-person totals and nationality-only and status-only breakdowns if a cross-tabulation is unavailable.

We are committed to being an anti-discriminatory organisation. This means not only acting in a non-discriminatory way, but addressing systemic inequalities, disadvantage and discrimination.

If any part is not held, identify which information is unavailable and any related recorded information that is held, including coverage and limitations. If the request exceeds the applicable cost limit, please advise a practicable refinement prioritising murder and rape convictions and charges followed by arrests, and provide separable information within the limit where possible. If data are already published, provide direct links. I request aggregate information only, not personal information; where necessary suppress small cells and provide remaining totals. A spreadsheet or CSV would be helpful.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

Q1) No information held
Q2) No information held
Q3) No information held

Please be advised that we cannot retrieve a person's immigration status from custody data

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.
