

Dear ,

Gloucestershire Constabulary Freedom of Information request 2023.0261

On 03/03/2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to submit a Freedom of Information Act request for data concerning firearm and shotgun licences. This follows a similar request that I had submitted previously, for data for the year 2019.

Any person who has a firearm or shotgun licence revoked by an issuing police force is entitled to appeal that revocation in court.

For the 2020, 2021 and 2022 calendar years, please tell me:

- 1) did the force return any revoked firearm or shotgun licences to a person once the force had been notified that the former licence holder had lodged an appeal in court, but before that court case was concluded and before a judge had ruled in favour of the appellant?
- 2) If the answer to question 1 was yes, how many a) firearm and b) shotgun licences were returned in such circumstances?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

Yours sincerely,

Disclosure Officer
