Dear

Gloucestershire Constabulary Freedom of Information request 2023.0699

On 05/07/2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please could you provide me with the following information, in Excel or similar spreadsheet form if possible:

- a) The number of theft offences where the scene of the crime was a beach hut, reported to your force in each of the following financial years (2020/2021, 2021/2022 and 2022/2023);
- b) The number of those incidents that resulted in a charge or summons, also broken down by financial year; and
- c) The number of those incidents where the investigation was closed with no suspect identified, also broken down by financial year.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

I can confirm a search of the Crime Recording System for the crimes of theft and burglary whereby a free text search of the MO's for Beach Huts for the financial years 01/01/2020 – 31/03/2023, this search has also included the police outcome. This has resulted in a nil (0) response.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information

Commissioner for consideration.
