Dear

Gloucestershire Constabulary Freedom of Information request 2023.0744

On 19/07/2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

Since January 1 2020, please disclose the logs for every incident involving unidentified flying object/unidentified aerial phenomena recorded by your force.

Also please disclose the logs that feature at least one of these search terms: 'UFO', 'Alien', 'UAP' and 'spaceship'

For each incident log, please disclose:

- * The date and time the incident was reported.
- * The general location it was recorded (I.E. the city/town/village)
- * The incident log, exactly as it was recorded by the force, redacting any identifiable information which may otherwise prohibit disclosure. For example 'Male caller named (REDACTED) reports seeing four flashing lights hovering above his property in (REDACTED) street before a female was beamed into the sky'.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary may hold some relevant information.

Unfortunately, it's not possible to electronically retrieve the information you have requested.

A search has been conducted on the Incident recording system of a free text search for the terms you have stated 'UFO', 'Alien', 'UAP' and 'Spaceship' for the dates of 01/01/2020 – 19/07/2023, this has returned 330 recorded incidents. In order to ascertain

whether they are specifically related to your request, a manual review of each incident would need to be conducted. This would take longer than the 18 hours prescribed by Section 12 of the Freedom of Information Act.

Please see below for suggestions on how you may be able to refine your request to come within the cost constraints of Section 12 of the Act.

Section 17(5) of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

In relation to your request Section 12 applies.

Section 12(1) – Fee Regulations states:

Section 1(1) of the Act does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. (As detailed in the Data Protection and Freedom of Information Fees Regulations of 2004)

The appropriate limit at the moment is £450 calculated at an hourly rate of £25 per hour for all staff time incurred in:

- i. Determining whether information is held
- ii. Locating it
- iii. Retrieving it
- iv. Extracting the information to be disclosed from the other information.

In accordance with the Act, this letter represents a Refusal Notice for your request.

Under Section 16, duty to assist, to reduce the time scale for example by 12 month period, it may be possible to retrieve relevant data.

If this would still assist, please submit a new FOI request to foi@gloucestershire.police.uk

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
