On 08/08/2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we

endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search has been conducted on the Crime Recording System for the offence of thefts whereby the following property has been reported as stolen, commercial|agricultural, commercial|excavator, commercial|lorry livestock, commercial|tractor and motorcycles|quad for the dates of 01/01/2015 – 09/08/2023, the results have been broken down by year.
