Dear

**Gloucestershire Constabulary Freedom of Information request 2023.0878**

On 31/08/2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

Under the Freedom of Information Act 2000, I would like to request the following information:

I would like a list of police stations or evidence/file deposits within your jurisdiction to have closed in the last five years (to the date this request was received).

I would like the official closure dates for all of these facilities.

I would like the dates on which the move-out process was officially deemed completed for these facilities.

If available, I would like the date that the final document deemed 'sensitive' was removed.

I would also like to know the number of facilities still under police ownership, the number sold and the number destroyed.

I would like you to provide this information in the following format:

I would like this information with the names and addresses of the facilities in a chronological list in a table ordered by the closure date, with the dates requested above on the same line as the names of the facilities.

On the same line for each entry, please could you inform me of its sale/ownership/destruction status.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

In receipt of your request, I have sent this to the relevant department and they have stated that no police station or evidence/file deposits have been closed within the last five years, this information is therefore no information held.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the

response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
