Dear

Gloucestershire Constabulary Freedom of Information request 2023.1075

On 06/11/2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please disclose the number of crimes committed in the force area over the last five years in which the words "anglo arms" appear.

Please break down results by crime type, date of offence and number of arrests (if possible without going over the time limit), age of suspects and (again ONLY if possible within the time limit) outcome - ie charge/caution

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

I can confirm that, following receipt of your request, a search of the Crime Recording System has been conducted to identify all substantiated crimes recorded between 01/01/2018 and 30/09/2023 where the freetext MO contains the term "anglo arms".

This has return nil (0) results.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
