- c) October 7 to November 7 2021 inclusive.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we

endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search of the Crime Recording System has been conducted to identify all substantiated crimes recorded in the date ranges specified where the Hate tag has been applied. A filter has then been applied to identify the hate strands of Religion – Jewish and Religion – Muslim.

Please see below for the results;

Religion – Jewish

- a) October 7 to November 7 2023 inclusive - 2
- b) October 7 to November 7 2022 inclusive - 2
- c) October 7 to November 7 2021 inclusive - 4

Religion – Muslim

- b) October 7 to November 7 2022 inclusive - 2

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.
