Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0036

On 10/01/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please may I learn how many reports of theft at David Lloyd leisure facilities you received over 2023?

('At David Lloyd' pertains to the item being reported as having gone missing either in a David Lloyd facility, eg locker/ changing room/ tennis courts, or in the carpark/ outer grounds/ any property owned by DL).

Please may I also have this figure for each of the last five years?

If possible, please may I have a breakdown of the items that have been stolen and the respective values that have been attributed to them?

Please may these figures encompass all of the (potentially numerous) David Lloyd facilities within the region that your constabulary covers.

How many arrests and charges have been made as a result of these above reports over each of the last five years please?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

I can confirm that a search has been conducted of crimes recorded from 01/01/2023 to 31/12/2023 whereby the crime had property items recorded as stolen and the location of the offence included "David Lloyd".

The result was 1 x crime recorded, which involved the theft of a pedal cycle.

To provide any further information relating to this single crime would likely disclose personal information and therefore is exempt under Section 40 of the Freedom of Information Act.

Section 17 of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

With regard to the disclosure of any further information, the following exemption applies:

Section 40(2) Personal Information

Section 40(2) applies to third party personal data. This would not be released under the Freedom of Information Act unless there is a strong public interest. The disclosure of any information which could lead to the identification of an individual would breach the Data Protection Principles contained within the Data Protection Act 2018, namely the first principle which states that personal data shall be processed lawfully, fairly and in a transparent manner in relation to individuals

This exemption is absolute and class based therefore I am not required to apply either the public interest test or harm test in disclosure.

In accordance with the Act, this letter represents a Refusal Notice for this part of your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
