Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0127

On 30/01/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am requesting data on bicycle theft in your jurisdiction during the 2023 calendar year.

Specifically, I am requesting:

- The date
- The recorded make
- The recorded model and
- The value of each recorded bicycle theft, where available.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

I can confirm that a search has been conducted of crimes recorded from 01/01/2023 to 31/12/2023 whereby the property item of 'bicycle' has been recorded as stolen. This search has resulted in 175 crimes being returned. Detail of which can be found at the end of this document. You will note that the Make has not been recorded in any of the crimes and there are some that did not have a Model recorded either.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
