Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0349

On 27/03/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

Thank you for getting this information to me, as mentioned in your helpful explainer, that the Crime Recording System may provide some useful information – would I be able to put in an additional follow request for this information?

This was following our response to your earlier request, Ref: 24_0177

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search of the Crime Recording System has been conducted to identify all substantiated crimes recorded between 01/01/2014 and 29/02/2024 where the DA (Domestic Abuse) Tag has been applied to the record and where the outcome is Charged. A filter has then been applied to extract only those records where “Bourton on the Water”, “Beachley” and “Sedbury” are contained within the location field.

The result have been broken down by location and year in the table below:

Year	Bourton on the Water	Beachley	Sedbury
2014	1	1	3
2015	5	0	4
2016	2	0	4
2017	2	0	3
2018	3	0	2
2019	2	0	1
2020	0	2	0
2021	0	0	6
2022	6	0	1
2023	6	0	4
2024	1	0	0
TOTAL	28	3	28

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
