Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0402

On 11/04/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

Can you please supply me with details of all speed fines/penalties for the last 3 years which include:

date, Location, speed limit, Type (i.e camera or mobile unit), vehicle speed, fine, penalty if any

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Due to the volume of this request we have been unable to break this data down to the exact date of the offence. There have been a total of 118,531 offences therefore we have only been able to retrieve the date (in years), location, speed limit, vehicle speed and if they were given a fixed penalty or the offer of a course.

Please see the attached PDF document that contains the requested data.

Please note that a request for an internal review must be made within 20 working days of the response to your original request.
