Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0427

On 16/04/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

I would like to request the number of offences that were categorised as a corrosive/fluid offence against the person in the Gloucestershire area between 1st January 2023 and 31st December 2023 inclusive.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

I can confirm that the Constabulary's crime recording system has a tag for crimes relating to acid attacks.

I can confirm that a search has been conducted for crimes recorded from 01/01/2023 to 31/12/2023 whereby the Acid Attack tag had been added.

The result of this search was 5 crimes.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
