Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0431

On 17/04/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

1. arrest numbers for drink and drug driving in 2016
2. arrest numbers for drink and drug driving in 2022
3. police officer numbers for 2016
4. police officer numbers for 2022

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

The primary function of the Constabulary's Arrest Recording System is to assist the Constabulary in adhering to Code C of the Police and Criminal Evidence Act. As such, its reporting function is limited. The system does not record detentions under specific offences under the Home Office Crime Recording Rules; instead it uses Reason for Arrest (RFA) Categories. The only relevant RFA Categories relating to drink or drug driving are combined drink and drug categories of Drink/Drugs – Drive Motor Vehicle and Drink/Drugs – I/C of Motor Vehicle.

A search has been conducted of detentions authorised in the 2016 calendar year and 2022 calendar year whereby either of the above RFA Categories was used. The results are as follows:

	2016	2022
No. of detentions	876	1116

As at 31/03/2016 the Constabulary employed 1090 Police Officers and as at 31/03/2022, the Constabulary employed 1229 Police Officers.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
