Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0482

On 30/04/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

How many incidents of robberies and acts of theft on the premises of a pharmacy have been reported to your force in the following calendar years: 2023, 2022 and 2021.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

As per the clarification sought from you, we have conducted a search of the crime recording system for substantiated crimes record between 01/01/2021 – 31/12/2023 where any Robbery offence has been recorded. A filter has then be applied to identify all records where the MO code for 'Chemist' has been added.

Please see the table below for the yearly breakdown

Year	Total
2021	92
2022	135
2023	80

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
