Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0670

On 17/07/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

1. I would like to know which Multi-Agencies the police are working with in Coleford to tackle graffiti.
2. I would like to know the number of graffiti issues have been reported to the police in Coleford.

I have reformatted your questions for ease.

We note you sent two separate requests under the following reference numbers:

FOI_24_0670
FOI_24_0671

Please note these have been combined under FOI_24_0670 and therefore this response is our full response to your request.

On 24/07/2024 we asked you to confirm the date range you were interested in, you confirmed you wanted a search to be conducted from March 2022 to present day.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

1. No information held – I can confirm I have discussed this with the matter expert and they have confirmed the Force does not hold this information.
2. I can confirm a search has been conducted of our Incident Recording System for the dates of 01/03/2022 and 31/07/2024 where the incident location has been

tagged as Coleford and a free text search of "graffiti" has been included. I can confirm there are 11 incidents of graffiti that have been reported in this time.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
