Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0724

On 02/08/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

-The number of reports involving the key words 'QR fraud' or 'QR scam' or 'QR' from 2022 to now. Please provide a month by month breakdown.

-Details of the allegation made including the exact location the offence allegedly took place (for example an NCPP car park) and the original purpose of the QR code (for example to pay for parking, or order a meal online).

-The number of arrests and or charges made

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary may hold some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

I can confirm a search has been conducted on our Crime recording system for all substantiated crimes recorded between 01/01/2022 and 31/12/2022 where a free text search of "QR" has been completed.

This has returned zero results.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
