Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0765

On 19/08/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

For each of the following financial years 2023/24, 2022/23, 2021/22, 2020-21 and 2019/20:

How many electric scooters were seized by your force?

How many fixed penalty notice fines were given out to people for riding an e scooter on a public road without insurance?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Seized Scooters:

Year	Total
2019-20	1

2020-21	29
2021-22	89

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.
