Gloucestershire Constabulary Freedom of Information request FOI_24_0771

On 20/08/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

1) Please can you state for offences recorded by your force, the number in which the crime report text (described as modus operandi reports by many forces) contains a mention of "onlyfans" in each of the following calendar years:

- i) 2019
- ii) 2020
- iii) 2021
- iv) 2022
- v) 2023

2) Please can you provide a redacted copy of the free text crime reports for these offences recorded by your force between July 2023 and July 2024.

Addition to request:

Additionally, for part 1 - can you please state the type of crime too please.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

I can confirm a search has been conducted of our Crime Recording System for all substantiated crimes recorded between 01/01/2019 and 31/12/2023 whereby the terms “Onlyfans” and “only fans” have been included in the MO freetext.

1.

Year	Miscellaneous crimes against society	Violence against the person	Total
2019	0	0	0
2020	0	2	2
2021	1	4	5
2022	1	2	3
2023	1	4	5
Total	3	12	15

2. With regard to the disclosure of the crime reports for the crimes recorded between 01/07/2023 – 31/07/2024 only, the following exemption applies:

Section 17 of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

Section 40(2) Personal Information

Section 40(2) applies to third party personal data. This would not be released under the Freedom of Information Act unless there is a strong public interest. The disclosure of any information which could lead to the identification of an individual would breach the Data Protection Principles contained within the Data Protection Act 2018, namely the first principle which states that personal data shall be processed lawfully, fairly and in a transparent manner in relation to individuals

This exemption is absolute and class based therefore I am not required to apply either the public interest test or harm test in disclosure.

In accordance with the Act, this letter represents a Refusal Notice for this part of your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.
