Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0806

On 03/09/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please may I have the contact details for your Occupational Health Team, an address, phone number and a generic email address if available

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

The ACPO minimum standards for all police force publication schemes is that we must provide a non-emergency number and an e-mail address for general enquiries. This is the main switchboard number and an e-mail address. This fully satisfies the terms of the request as you are able to contact everyone via these details:

Non-emergency telephone number within the county is 101, outside is 01452 728199
Contact centre email address: force.controlroom@gloucestershire.police.uk

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
