Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_0831

On 10/09/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

- Please provide a breakdown of the number of young people (aged 16 and under) who have been caught driving without a licence in your force area for the last five financial years, broken down by year. (01 April – 31st March, 2019/2020, 2020/2021, 2021/2022, 2022/2023, 2023/2024)
- Please provide, if possible, the figures for each age group where applicable i.e. nine, ten, eleven, twelve, thirteen etc, also broken down by gender.
- Please provide, if possible, the outcome of each case.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

A search of the Case Recording System has been carried out to identify records where the offence of "Drive a motor vehicle otherwise than in accordance with a licence - non-endorsable offence" is recorded between 01/04/2019 and 31/03/2024. A filter has then been applied to identify those where the offending person is aged 0-16yrs. This has returned 0 (zero) results.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information

Commissioner for consideration.
