Dear

**Gloucestershire Constabulary Freedom of Information request FOI\_24\_1022**

On 15/11/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

How many shoplifting offences were recorded by the police force, each month, from January 2017 to December 2023?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search has been conducted of our Crime Recording system for all substantiated crimes recorded between 01/01/2017 and 31/12/2024 for the offence of Shoplifting. This has been broken down by month.
