Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_1028

On 15/11/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

I would like to make a request for data under the Freedom of Information Act regarding complaints made regarding bin collections.

Can you please provide me with The number of missed bin collections reported to your authority in 2023 and also the number so far in 2024

The number of complaints your authority has received regarding bin collections 2023 and also the number so far in 2024

Could you also provide, if possible, the number of domestic recycling bins used within your local authority.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Please note that the Incident Recording System is largely a free text entry system, therefore to enable us to fulfil your request a search has been completed using the dates provided and using 'bin collection' as a keyword.

I can confirm this returned 12 incidents which once reviewed did not fall within the scope of your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
