Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_1111

On 10/12/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

This is an information request relating to the costs associated with policing the direct action group, Palestine Action.

Please provide the following cost information in relation to any direct actions organised by Palestine Action that have been held between 30 July 2020 and the present day in your force area:

- Opportunity cost
- Overtime
- Internal fleet
- External fleet hire
- Hotels
- Catering
- Infrastructure

By direct actions, this can include – but is not limited to – the following:

- Criminal damages done to commercial, residential and government property, such as spray painting, damaging/breaking windows, or destroying property, plant and equipment;
- Threatening or harassing staff members of companies and public bodies targeted by Palestine Action;
- Occupation of commercial, residential and government property;
- Aggravated trespass of commercial, residential and government property.

I am explicitly not asking about any protests that have been organised (and which I have separately asked for in an information request sent in November).

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

I can confirm the Constabulary does not hold any records in relation to offences linked to Palestine Action.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
