Dear

Gloucestershire Constabulary Freedom of Information request FOI_24_1133

On 18/12/2024 you sent an email constituting a request under the Freedom of Information Act asking the following:

Regarding a drone sighting on 13th December 2024 (last week) at around 20:03 seen in Stroud.

Under the Freedom of Information Act, are you able to inform me of any reports of a drone on the date and time in question.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search has been conducted of our Incident Recording system for all incidents recorded on 13/12/2024 whereby the term "Drone" appeared in the log of the incident. I can confirm there were 0 results relevant to your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
