Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0776

On 06/08/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request information under the Freedom of Information Act 2000. Specifically, I would like to know the following:

1. How many vehicles operated by your police force are equipped with VHF-based stolen vehicle location equipment (e.g., systems compatible with third-party tracking companies such as Tracker Network or similar)?
2. How many front-line officers (or operational policing staff) are equipped with CEASER scheme RFID transponder detection devices, used for scanning or locating CEASER-registered assets?

If any part of this request is unclear or would benefit from refinement, please let me know. I would be happy to rephrase or narrow the request if necessary to assist your processing.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

1. 28
2. Gloucestershire Constabulary have use of the CESAR scheme RAPID Search Application. Please see the following link for further information [UK POLICE EMBRACE NEW CESAR SCHEME RAPID SEARCH APPLICATION](#)

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
