Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0114

On 30/01/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

- a) The date the drink spiking report was filed
- b) The age of the person who filed the drink spiking report (if you are unable to provide the exact age, please could you provide me with age groups. For example: 18-24, 25-49, 50-64, 65+)
- c) Gender of the victim who filed the report

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary may hold some relevant information.

Unfortunately our Incident Recording System is largely a free text and therefore its reporting function is limited. As such, a manual review would be required to establish if any incidents are relevant to your request regarding drink spikings, it is also worth noting that a free text search could be conducted using words such as 'spike', 'spiking' or 'spiked' however these are generic terms used in general discussions for example 'spiked hair', 'spiked fence' etc and therefore would still involve a manual review to determine if any of the incidents would be applicable to your request.

Please see below for suggestions on how you may be able to refine your request to come within the cost constraints of Section 12 of the Act.

Section 17(5) of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the

exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

In relation to your request Section 12 applies.

Section 12(1) – Fee Regulations states:

Section 1(1) of the Act does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. (As detailed in the Data Protection and Freedom of Information Fees Regulations of 2004)

The appropriate limit at the moment is £450 calculated at an hourly rate of £25 per hour for all staff time incurred in:

- i. Determining whether information is held
- ii. Locating it
- iii. Retrieving it
- iv. Extracting the information to be disclosed from the other information.

In accordance with the Act, this letter represents a Refusal Notice for your request.

Section 16 – Duty to assist

By way of assistance a search of crime data could be conducted for specific offences which could potentially assist with the data you require. Below I have provided the link to the home office counting rules for you to view in order to identify relevant offences. A search can then be carried out with a filter on the MO freetext for specific terms such as 'spike' 'spiking' 'spiked'.
