Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0535

On 22/05/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am seeking data on public disorder, call-outs, and arrests in connection with football matches held at Premier League stadiums in your jurisdiction.

Timeframe:

2023/24 Premier League season (and any available data from the current 2024/25 season)

Request:

1. Number of arrests and police call-outs for each Premier League stadium in your area.
2. For each incident/arrest, if available:
 - The nature of the offence (e.g. violence, public intoxication, trespassing)
 - Whether the incident was during a men's or women's match
 - The club supported by the individual arrested (if recorded)

If multiple stadiums fall within your jurisdiction, please break down data by stadium

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

There are no such stadiums in the Gloucestershire Force area.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you

are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
