Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0574

On 03/06/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

For the period 1 January 2024 to 31 December 2024, please provide:

--- The total number of cases of reported stolen jewellery, across all theft offence types. (Defined as watches, rings, necklaces, bracelets, gold, etc).

--- If available, the total value of all jewellery that has been stolen.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search of the Crime Recording System has been conducted to extract all substantiated crimes recorded between 01/01/2024 and 31/12/2024 where the offence is Theft and where the stolen item falls under the category of jewellery.

The search returned one record relevant to your request, the value of an item is not a mandatory field and in this instance it has not been recorded.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
