I would like to request the following information:

- 1) Are you using any adapted or neurodivergence-friendly practical tools/resources/assets/materials for neurodivergent individuals who are likely to come into contact with the Criminal Justice System (CJS).
 - Of the above, what is the intended audience for each adapted tool/resource/asset/material (e.g. directly for neurodivergent young adults (up to 25 years), directly for neurodivergent adults (25 years+), carers, parents, peers, professionals)?
 - Do you have separate practical tools/resources/assets/materials for victims and perpetrators?
- 2) What are these practical tools/resources/assets/materials called and are they publicly available?
- 3) How long have you been using these tools/resources/assets/materials within your service/PCC area?
- 4) If you are not using any adapted practical tools/resources/assets/materials, do you intend on implementing any in the future? If so – please provide details, if you can.
- 5) Please provide copies and/or links to any available tools/resources/assets/materials that you are using.

If this request is too wide or unclear, I would be grateful if you could provide advice and assistance as to how I could refine my request. If any part of this request is denied, please provide a detailed explanation for the refusal, including any exemptions relied upon.

I would prefer the information to be provided electronically, via email.

Thank you for your time and consideration of my request. Any resources and relevant information you can share can be extremely invaluable, therefore I would be grateful for your help for this project.
