Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0129

On 03/02/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

Are you able to please provide statistics on the number of reports you received of incidents of homophobia or sexual orientation-based discrimination at football matches for the following calendar years:

1. 2023
2. 2024

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

A search was conducted for all substantiated incidents from 01/01/2023 to 31/12/2024 where the hate tag was present. A filter was then added to the MO freetext comments for the words 'football match'. This returned no results.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
