Section 17 of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

With regard to the disclosure of age of the vehicle/providing the VRM, the following exemption applies:

Section 40(2) Personal Information

Section 40(2) applies to third party personal data. This would not be released under the Freedom of Information Act unless there is a strong public interest. The disclosure of any information which could lead to the identification of an individual would breach the Data Protection Principles contained with the Data Protection Act 2018, namely the first principle which states that personal data shall be processed lawfully, fairly and in a transparent manner in relation to individuals

This exemption is absolute and class based therefore I am not required to apply either the public interest test or harm test in disclosure.

In accordance with the Act, this letter represents a Refusal Notice for this part of your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.
