Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0182

On 12/02/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

Under the Freedom of Information Act 2000, can you please for each calendar year 2020, 2021, 2022, 2023 and 2024, how many complaints of sexual assault were made against serving police officers at the force (complaints against police officers serving the force at the time of complaint)?

For each complaint, please provide the rank of police officer facing complaint, the police officer's sex, if the complainant was a member of the public or a colleague, and the outcome (ie No further action, management action, charged, under investigation etc).

eg

2023

- 1 - sgt - male - member of public - no further action
- 2 - PC - male - member of public - management action
- 3 - PC - female - colleague - no further action

2024

- 1 - sgt - male - member of public - no further action
- 2 - insp - female - member of public - charged with sexual assault

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to

information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

7 recorded sexual assaults were made against a serving Police Officer for the years requested and all were of a PC rank including against 3 males, 1 female and 3 records where gender is not recorded. Of those 7, 6 were from members of the public and 1 is from an unknown source.

The outcomes are as follows

Outcome	Total
The Service Provided Was Acceptable	3
Not Determined If The Service Was Acceptable	1
No Further Action Required	1
Unknown	1
The Service Provided Was Not Acceptable	1

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
