Dear

**Gloucestershire Constabulary Environmental Information Regulation request
FOI_25_0210**

On 19/02/2025 you sent an email constituting a request under the Environmental Information Regulation Act asking the following:

1. What are the biggest challenges your organisation currently faces in surveying and geospatial activity?
2. Are you confident in your full knowledge of the condition and knowledge of your impact on our local environment?
3. What are your organisation's key strategic objectives for the next 12-24 months, and how does surveying and geospatial fit into these?
4. Please detail any planned development of sites or assets
5. Do you have a supplier for drainage mapping and surveying?
6. If so, please can you supply details of the contractual arrangements in place including date of award, details of any Framework used or link to the advertisement, contract value and duration
7. If not, please can you indicate what evaluation of the requirement for surveying and geospatial works have been undertaken?
8. Please share your planned procurement pipeline for surveying and geospatial works for the next 12 months
9. How do you engage with potential new suppliers—through open tenders, direct engagement, or supplier days?

10. Please can you confirm the individual responsible for managing your surveying and geospatial contracts or wider development contracts and provide their contact details and role title?

11. Please provide a list of frameworks that you procure related services through

12. Do you plan to repurpose any sites for renewable energy or solar farms?

13. Do you have any issues with subsidence in your properties? If so, where?

14. When developing/purchasing/selling a site, how do you verify that the boundaries are correct?

Please be advised that although you have requested the information under FOI, your questions actually fall under the Environmental Information Regulation Act 2004, therefore we have answered in accordance with this act.

Under the Environmental Information Regulation Act 2004, I can confirm that Gloucestershire Constabulary holds some relevant information.

1. Availability of resource and cost
2. Yes. We are externally audited under the ISO 14001:2015 environmental standard and have completed an aspects and impacts register which covers our impact on the local environment.
3. No information held, this is yet to be determined.
4. There are no plans to develop any sites or assets at this stage.
5. These are sourced as and when required via the related government frameworks.
6. No information held, this information is held by the relevant government departments.
7. N/A
8. There are no plans
9. Open tenders and frameworks depending on the value of the contact.
10. The ACPO minimum standards for all police force publication schemes is that we must provide a non-emergency number and an e-mail address for general enquiries. This is the main switchboard number and an e-mail address. This fully satisfies the terms of the request as you are able to contact everyone via these details:

FAO Head of Estates and Support Services

Non-emergency telephone number within the county is 101, outside is 01452 728199

Contact centre email address: force.controlroom@gloucestershire.police.uk

11. All procurement is through South West Police procurement and related government frameworks. [Procurement \(Contracts\) | Devon & Cornwall Police](#)
12. No
13. No
14. Checks are made with our Legal team.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
