On 11/07/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am making this request under the Freedom of information act.

I am interested to know the force policy on who can stop vehicles, and who cannot.

I am interested particularly in what level of driver training is required to stop vehicles with blue lights. I would be interested in any written policies or minutes of meetings discussing this.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

Gloucestershire Constabulary have adopted and follow the National Police Driver's APP which is available to view online, please see the link below:
