Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0733

On 24/07/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please could you provide the following data for your police force area:

1. The total number of roadside breath tests conducted in each of the past three calendar years (2022, 2023, 2024, and 2025 so far if available), broken down by month or quarter if possible.
2. The number of drivers who tested positive or failed a breath test in each of those years.
3. If available, a breakdown of breath tests conducted by local authority area, town, or policing sector within your jurisdiction.
4. The top 5 locations (towns/areas/postcodes) where the highest number of drink driving offences were recorded over the past three years.
5. Any available demographic breakdown (e.g. age group and gender) for individuals who:
 - a. Were stopped and breathalysed, and
 - b. Failed a breath test or were charged with a drink driving offence, in the above time period.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary may hold some relevant information.

Unfortunately there is no central register for this information and no way to retrieve the information by way of electronic searches. In order to accurately provide the number of roadside breath tests that have been carried out, and provide the associated information, a manual review of each individual officers Pocket Notebook (PNB) would be required. As there are approximately 1,300 officers within Gloucestershire Constabulary, this would take longer than the 18 hours prescribed by the Freedom of Information Act.

Section 17(5) of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

In relation to your request Section 12 applies.

Section 12(1)– Fee Regulations states:

Section 1(1) of the Act does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. (As detailed in the Data Protection and Freedom of Information Fees Regulations of 2004)

The appropriate limit at the moment is £450 calculated at an hourly rate of £25 per hour for all staff time incurred in:

- i. Determining whether information is held
- ii. Locating it
- iii. Retrieving it
- iv. Extracting the information to be disclosed from the other information.

In accordance with the Act, this letter represents a Refusal Notice for your request.

Section 16 – unable to assist

Unfortunately, I'm unable to assist in suggesting ways of refining your request to come within the confines of Section 12 of the Act. Even reducing the timescale would not reduce the scope of your request enough that a manual review could be conducted within the timescale but still provide meaningful information.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
