Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0743

On 24/07/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

How many community resolution orders have been issued for each of the last three years?

Please can a breakdown of the offences committed be given? If going into detail is too time-consuming for an FOI request then please use categories. I.e, indecent exposure could become sexual offences, or ABH to violent crime.

Does the force hold information of the nationality or asylum status of people handed community resolution orders? If so please provide the number of asylum seekers handed resolution orders for each year / a nationality breakdown for each year.

If nationality or asylum status information is held, please also include what offences have been committed by asylum seekers or by nationality. Eg sexual offences, violent crimes.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary may hold some relevant information.

With regards to Nationality, there is no recording field for this within the Crime Recording System. There is also no mandatory requirement to record asylum status, therefore the only way to determine if this is recorded is to manually review all relevant records. An initial search has been carried out to identify the number of crimes recorded where the outcome is "Det NFA – Community Resolution". For the period of 01/01/2022 to 23/07/2025, there are over 5,900 records. To manually review these records would clearly take far longer than the 18 hours prescribed by the Freedom of Information Act, and therefore Section 12 of the Act is engaged.

Section 17(5) of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to

provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

In relation to your request Section 12 applies.

Section 12(1)– Fee Regulations states:

Section 1(1) of the Act does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. (As detailed in the Data Protection and Freedom of Information Fees Regulations of 2004)

The appropriate limit at the moment is £450 calculated at an hourly rate of £25 per hour for all staff time incurred in:

- i. Determining whether information is held
- ii. Locating it
- iii. Retrieving it
- iv. Extracting the information to be disclosed from the other information.

In accordance with the Act, this letter represents a Refusal Notice for your request.

Providing Information Outside of the Act

By way of assistance, and although excess cost removes the Force's obligations under the Freedom of Information Act, I have supplied the information relevant to your request which has already been retrieved. I trust this is helpful but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

Substantiated crimes, recorded between 01/01/2022 and 23/07/2025, where the outcome is recorded as "Det NFA – Community Resolution"
