Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0932

On 24/09/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

Under the FOI Act, please provide me information on police officers and PCSOs convicted of criminal offences since 2018, while employed by the force.

- 1) The number of police officers and PCSOs in your force convicted of a crime.
- 2) For each officer/PCSO listed in your answer to question 1, itemise them to show their rank, gender, the type of offence (assault, rape, etc), the year of conviction, status at force now (still serving, retired resigned, sanction) Eg below:

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.
