Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_0987

On 10/10/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

1. Data from Stop Search forms submitted by Gloucestershire Constabulary officers throughout the county of Gloucestershire between 01/07/2023 - 01/07/2025
 - a. Could these be broken down on a month by month basis (data from 1/7 - 31/7, 1/8 - 31/8, etc).
 - b. Could the data provided from each form include:-
 - i. Subject ethnicity
 - ii. Item sought
 - iii. Stop Search outcome

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Please find attached a CSV data table in response to your question above.
Please note that "item sought" is recorded as Reason for Search.

Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
