Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_1004

Following on from FOI_25_0925 S.12 refusal, on 16/10/2025 you sent an email constituting a new request under the Freedom of Information Act asking the following:

Please proceed with the following request, as suggested in your reply, for Aug 19 - July 25, month-by-month:

- Month/year incident recorded
- Local Policing Area
- Type of ASB (environmental, personal or nuisance)
- Number of incidents where Police attended

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search of Gloucestershire Constabulary's Incident Recording System has been carried out in order to identify incidents recorded between 01/08/2019 and 31/07/2025 where the closure code is one of the following:

- ASB – Environmental,

- ASB – Personal
- ASB – Nuisance

This has returned a total of 124,717 records. Of those, 56,141 have been identified as being attended by at least one resource.

Please see the attached data tables for the breakdowns requested

- FOI_25_1004_Data Table_All Incidents.pdf
- FOI_25_1004_Data Table_Incidents Attended.pdf

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
