Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_1059

On 03/11/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please could you provide a list of all police forces or other services to which Gloucestershire Constabulary currently or has previously (within the last 5 years) delivered driver training. For each of these forces/services, kindly specify the types of driver training courses provided, including any instructor-level courses where applicable.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

As part of the regional collaborative approach around driver training and from the Tri-Force collaboration, Gloucestershire Constabulary has previously provided training to staff and officers from Wiltshire Police and Avon & Somerset Police. These have been:

- Tactical Pursuit training
- Pursuit tactical advisor's course
- Motorcycle instructor course

With a migration of driver records recently, retrospective numbers for the courses listed above are no longer available. No training has been given outside of Gloucestershire Constabulary during 2025.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you

are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
