Dear

Gloucestershire Constabulary Freedom of Information request FOI_25_1128

On 24/11/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

I would be grateful if you could provide me with the times of day that crimes of notifiable offences were committed over the previous 4 years. I would like this data in a spreadsheet (excel or otherwise), detailing the type of crime and the time of day it was committed, if possible

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Due to the amount of data returned, please see the attached document for the response to your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please

note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
