On 02/10/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

How many officers on your force are being investigated for domestic violence? How many have been charged with domestic violence?

How many officers on your force are currently being investigated for racist behaviour, sexist behaviour, or for sexual offences (including but not limited to harassment and assault)?

Of these officers: How many of these officers who are being investigated are working on full duty?

How many are working on restricted duty?

How many have left the force?
