Dear

Gloucestershire Constabulary Freedom of Information request FOI_ 25_1094

On 10/11/2025 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request the following information:

Please provide the total number of offences recorded as Threaten with a blade or sharply pointed article on school/further education premises (008/62; Criminal Justice Act 1988, s.139AA) between 1 January 2024 and 1 January 2025.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search was conducted for substantive recorded crimes between 01/01/2024 – 01/01/2025 (a year and one day) where the offence is '008/62' – Threaten with a blade or sharply pointed article on school/further education premises. Which gave the following results:

Offence	May	Dec	Grand Total
Threaten with a blade/pointed article on school premises	1	1	2

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
