Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0114

On 29/01/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

1. In the last three years, how many crimes were recorded by the force where a suspect identified could not be prosecuted because they were under the age of criminal responsibility (10)?

A. Please break the data down by calendar years, for the years 2023, 2024 and 2025.

2. Please also include:

- A. Age of suspect
- B. Type of offence (e.g. criminal damage, robbery.)
- C. The date of offence (day/month/year)
- D. Town/city (or force district area/division)
- E. Brief description of the offence where it exists (if this would not exceed the request limit)

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Please see the response to your request below.

In relation to Q1 & 2, please see the response to your request attached separately.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
