Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0117

On 29/01/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request information under the Freedom of Information Act 2000.

Please provide the following information for the periods 2023, 2024, and 2025 (or the most recent data held within this period):

- The total number of reported residential burglary offences in your area for each calendar year.
- The average response time to reported residential burglaries for each calendar year.
- The total number of arrests made in each calendar year for residential burglaries.

I am seeking headline annual totals only and do not require any breakdown by month, location, or outcome.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Total number of incidents recorded:

Year	Total
2023	1433
2024	1232
2025	1182

Average response time for incidents attended:

Year	Total	Average response time (mins)
2023	937	857.98
2024	782	1184.51
2025	830	1322.47

Total number of Arrest records where at least one of the Reasons For Arrest (RFA) is Burglary Dwelling:

Year	Total
2023	180
2024	176
2025	182

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
