Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0135

On 04/02/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

1. Does your police force use:

Predictive policing technologies such as predictive mapping programmes (to identify crime 'hot spots') or individual risk assessment programmes (behavioural prediction based on personal characteristics like age, gender, ethnicity) AI assisted video analytics (such as the Fusus platform which uses AI to identify and alert police to specific items of clothing or unattended rucksacks) Facial recognition (a specific form of AI assisted video analytics distinct from the above point)

2. If so, which company was each technology bought from?

3. Are any of these technologies used to aid stop and search practices?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

1. No

2 & 3. No information held

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
