Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0159

On 10/02/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I would like to submit a Freedom of Information Request to find out the amount of the below listed crimes which have been committed in the past 2 years per city/town or region (whichever is possible).

I would also like to know if these were carried out against a business or general member of the public (if possible). Please find the list of terms that I would like the search to be carried out for below.

- 'Phishing'
- 'Scam call'
- 'Phone scam'
- 'Scam email'
- 'Email scam'
- 'Phishing attack'

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we

endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search was conducted for all substantiated crimes recorded between 01/03/2024 and 01/03/2026, this has then been filtered via the freetext in the MO for the mentioned keywords. This returned the data:

Date / LPA / Offence	Total Offences
Oct2024	
Gloucester LPA	
Blackmail	1

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
