Dear

Gloucestershire Constabulary Freedom of Information request FOI_ 26_0188

On 15/02/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Details of RTC's that have occurred on the A436 to date, since 1st January 2025, between the Air Balloon (A417/436 junction) and Seven Springs (A435/A436 junction) including vehicle registration numbers. I particularly seek information about accidents that have damaged hedges, fences, and walls on land belonging to us on both sides of the A436.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

Gloucestershire constabulary only routinely record injury RTC meaning that there is no data to search to be able to answer the query.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
